

Vacation Bible School Summer Ministry Employment Opportunity for Young Adults

Atlantic Baptist Women is seeking applications for Vacation Bible School leaders for summer 2022. The employment period will be May through August 2022.

This will be a great opportunity for young Christian adults who have a passion to teach children and youth, and who enjoy travel.

In the event that an in-person VBS cannot be held due to the pandemic, ABW will consider offering a virtual option. Training will be adapted for an in-person or virtual program, as needed. Upon employment, VBS leaders will be required to provide proof of vaccination against the COVID-19 virus as well as provide a recent criminal record/vulnerable persons check.
