

interMISSION 2020 Saturday Morning Workshop Choices

In place of a Saturday afternoon workshop, interMISSION is pleased to offer
“A Sweet Time & Tea to Celebrate 150 Years.”

~1 2020 Vision *led by Darrell and Laura Lee Bustin*

Come hear how Baptist sisters in Rwanda are “running the race” and “looking toward the prize” as they serve their communities, meeting needs by reaching out with the love of Jesus.

~2 Mentoring *led by Wendy DuBois*

Do you desire to leave a lasting legacy that will have eternal repercussions? Do you have the gifts of discernment and/or encouragement? Perhaps the Holy Spirit wants you to consider becoming a mentor to a younger woman. Let's explore together what mentoring *is* and *is not*.

~3 Leading You! *led by Tammy Giffen*

Do you believe God has placed a big dream on your heart but are you afraid to pursue it or don't know where to start? Sometimes the hardest person to lead is *you!* Join Tammy Giffen as she unpacks her journey that led her to plant Groundswell Church in Truro, Nova Scotia, and see how you, too, can step into the unique passions God has placed in you to impact your world.

~4 Presidents of ABW Groups and Woman's Missionary Societies *led by Rev. Gail Whalen-Dunn*

Are you the president of an Atlantic Baptist Women's group or Woman's Missionary Society? I would like to meet with you and learn about the ABW group/WMS that you lead. Come together to share stories and learn from each other. We'll put our thoughts and prayers together to see how we can “Grow ABW.”

~5 Rug Hooking *led by Rev. Annette Wells*

Learn the basics of this traditional, practical craft while making a “mug mat.” Cost for materials will be \$5 (exact change, please) to be paid at the workshop. Frames to work on and hooks will be supplied, but are not part of the workshop's cost. *Workshop limit: 20.*

~6 The Ministry of Pregnancy Resource Centres *led by Krista Raynard*

Find out how pregnancy resource centres are meeting needs within our communities. Hear stories of how they impact the women, children, and families they serve.

The Impact of Bible Translation *led by Dan and Melody Grove*

Why do people translate the Bible? What difference does it make and what impact does it have? How can women of Atlantic Canada have a part? Join us to hear and see how those questions are answered in the context of the Ndop translation project in Cameroon.

Come Join Camp - interMISSION *led by Rev. Joanna Doak*

Something that Camp - interMISSION girls most look forward to is when the women of interMISSION spend time with them. They love it when you take the time to come by to share your thoughts, answer their questions, and, best of all, have fun times with them. So, please accept our invitation to come for a visit to camp. *Workshop limit: 20.*

Quilting Sew & See *led by Diane Miller*

In this introduction to hand quilting, you will create a beginner-level quilting project plus enjoy a mini “quilt-trunk show” and quilting tips. Cost of \$3.00 (exact change, please) for supplies and fabric to make a “mug mat,” to be paid at the workshop. Please bring your own thimble. Punctuality is critical. *Workshop limit: 20.*

Sharing Our Faith to Prepare the Next Generation of Spiritual Leaders *led by Dr. Joyce Ross*

By sharing my faith, I want to help prepare the next generation to focus and move forward in sharing their faith in the lives of family members and youth leaders, as well as to develop an interest in becoming missionaries at home and abroad.

Her Story: Past, Present, and Future *led by Dr. Melody Maxwell*

How do the stories of historic women like Hannah Maria Norris relate to Atlantic Baptist Women today? Come hear more about the early history of women's missions efforts, and how these women can inspire and challenge us in the twenty-first century.
