SEEING & BEING SEEN

Luke 7:36-50

A Blessing for the One Who Wants to See Clearly

Blessed are you, like the woman who wept at his feet,
 who dared to draw near,
 who loved without shame.

Blessed are you, even if you've been more like Simon—
 careful, uncertain, trying hard to be good.

Jesus sees you.
Not just your sin, but your story.
Not just your flaws, but your love.

May you go with the courage to receive grace,
 and the tenderness to offer it.

Amen.
