

Atlantic Baptist Women has a Vacation Bible School program for churches which need assistance in planning and leading a summer VBS program.

ABW offers churches a team of two trained young adults and a VBS curriculum, including a Canadian Baptist Ministries mission component where VBS children will be encouraged to contribute a mission offering for the designated project. The team will be prepared to lead the program and to work with your church volunteers to tailor the program to fit your needs.

The church's responsibility is to have abuse prevention policies and abuse insurance coverage in place, and to provide the following:

- Hosts for the team members while they are in your community
- Adult helpers for the VBS ministry
- Snacks
- Planned crafts and materials for each child, as well as an adult helper to oversee the craft program

To inquire about having a VBS team come to your church during July or August 2026, please contact, by February 20, 2026: ABW Home Missions Coordinator Joan Peacock vbs.abw@gmail.com
