Camp -interMISSION for an afternoon of remembering our roots  
and visioning for the future.

Do you have an outfit from a country you visited while serving on  
a short-term mission experience or when you served as a missionary/  
global field staff? Wear it for the “fashion show,” Saturday afternoon.

Contact: [rebeccamoore26@gmail.com](mailto:rebeccamoore26@gmail.com) and provide the following  
details: 1. Country where the outfit was purchased; 2. Describe the  
outfit (colour, etc.); 3. Share how the mission trip impacted your life.  
Rebecca Moore is looking forward to hearing from you!

You are also encouraged to wear an outfit or hat from one of the  
early decades between 1870–2020. (Be sure to indicate your intention  
to attend the “Sweet Time & Tea” on your registration form!)

## STEP Out for Ministry STEP into Mission

### 2020 ABW Walkathon: Walk for Kamp Tumaini, Rwanda

Since 2015, Kamp Tumaini has been making a difference in children’s lives in Kenya. Canadian Baptist Ministries and volunteers from Canada have served with our Kenyan partners to offer a summer camp experience to children impacted by HIV and AIDS. Along with days of music, fun, and laughter, the camps provide times for sharing, prayer, and encouragement.

Kamp Tumaini’s ministry has been breaking down walls of separation and formality within our church partners in Kenya and South Sudan. The camp has fostered an important shift in the focus of once-educational ministries of the church towards the emotional and social needs of children in their spiritual formation.

Your generous donation will provide this camp experience for children in Rwanda this year.

### Walkathon Week May 3–9 Walk before you come to interMISSION.

Walk alone, with a friend, or as a group. Your ABW group may choose to participate in the virtual walkathon program, “Let’s Walk,” found in the *2019–2020 ABW Program Resource Booklet*, pp. 23–24.

Bring contributions and sponsor sheets to the walkathon table (in the registration area) at interMISSION.
