

# ABW 2022 Home Mission Project

## “Wonderfully Made”

“I praise you because I am fearfully and wonderfully made...”

*Psalm 139:14a, NIV*

**Pregnancy centres are places of help and hope that provide compassionate support and education in a caring, respectful environment for individuals and families impacted by unexpected pregnancy and other pregnancy-related challenges.** Their free and confidential services offer encouragement at a time when feelings of loneliness and uncertainty may be overwhelming. Through peer mentoring, support programs, counselling/health services and referrals, parenting education, material goods, and other post-pregnancy programs, pregnancy centres come alongside those experiencing pregnancy-related challenges with resources and accurate information. The staff and volunteers at pregnancy centres offer care that demonstrates how we are all wonderfully made by God, our loving Creator.

This year’s Atlantic Baptist Women’s Home Mission Project presents the opportunity of offering encouragement to clients as well as to the staff and volunteers of seven Atlantic area pregnancy centres (listed in the column to the right) in three ways:

**1. Finances:** pregnancy centres rely on donations to operate their ministries, and have a variety of needs. For parents with financial needs, some centres need car seats and cribs. Some centres have operational needs like new computer equipment or interior renovations to make their spaces more welcoming. Some need consistent funding for their parenting course curriculum. You can help meet such needs through a financial gift. Your gift can be given through your ABW Provincial Treasurer, designated for “Wonderfully Made.” All financial gifts to this project will be evenly distributed among the seven pregnancy centres to help meet their needs.

**2. Items:** pregnancy centres also appreciate donations of certain smaller items. Since the inventories at centres vary greatly, ABW has contacted each centre for a list of specific items that would be a blessing to them. Please take note of the items for the specific centre(s) you would like to support in the list provided. Donations can be delivered to specific centres by phoning ahead to arrange for a mutually convenient time.

**3. Encouragement cards and prayers:** the staff and volunteers at pregnancy centres need our encouragement and prayers as they seek to minister to those who contact their centres and come through their doors. Each client needs our encouragement and prayers, as well. Contact the centre nearest you to ask how you can be praying for the centre, their staff, and their clients. Send a card to brighten their day at the centre, and to remind them that they are wonderfully made.

“... your works are wonderful, I know that full well” (*Psalm 139:14b, NIV*).

### Tri-County Pregnancy Care Centre
