Called to Action: Helping the Housing Crisis *with Rev. Kimberly Beers & Kendalyn Davis*

We know that some people are thinkers while others are doers, and we truly need both! We feel that God is calling each of us to action to play a part in helping our communities. There are many ways that we may be called to action, whether it is through advocacy, volunteerism, and outreach ministries, to name a few. This workshop will focus on an overview of the housing crisis in Atlantic Canada, and how we can help stand in the gap.

Digital Discipleship: Communicating Your Message with Blogs and Podcasts *with Cindy Dockendorff*

Join us for an engaging workshop that will empower you to use modern communication tools to create compelling blogs and podcasts that will amplify your unique message. Whether you're new to the digital world or looking to enhance your online presence, this session will equip you with the skills and inspiration you need to make a meaningful impact.

Called to Ministry and Ministering to the Called *with Pastor Lori Errington*

How do our churches support women in ministry? How do we support women navigating a possible call to ordained ministry? This workshop will explore how we can help women considering God's call to service—whether it's at the professional or personal level. How can Baptist women in Atlantic Canada build a community of support?

Called to Create and Encourage ***(Afternoon Only)*** *with Rhonda Babineau*

God calls us to encourage others. Join Rhonda to talk about coming alongside others through card ministry. You will have the opportunity to combine your creativity with encouragement as you make cards for others. Cost of \$15 (to be paid at the workshop, with exact change, please) to cover the costs of supplies. Workshop limit: 20.

Responding to God's Call: Past, Present, and Future, *with Brenda Halk*

A Canadian Baptist Ministries panel discussion of women serving and responding to the invitation of God to live and work fruitfully before him.

Living Worthy of Our Calling: Being Intentional About Our Spiritual Formation *with Rev. Dr. Cheryl Ann Beals*

Living worthy is about the work of the Holy Spirit in our lives. We will explore how we can partner with God in our formation.

Presidents of ABW Groups and Woman's Missionary Societies (Morning Only) *with Dr. Carol Anne Janzen & Rev. Gail Whalen-Dunn*

Are you the president of an Atlantic Baptist Women's group or a Woman's Missionary Society? Come meet together and talk about the ABW group/WMS that you lead. We will share stories and learn from each other as we put our thoughts and prayers together to see how we can nurture and foster growth in ABW.

Called to Nurture Resiliency *with Kristi Garrido*

Watching a child or teen struggle with anxiety can feel so helpless as caring adults. Join a mental health professional in understanding how you can nurture your child or grandchild's sense of resilience while holding space for their challenging emotions.

Camp interMISSION's Called to Worship ***(Morning Only)***

Join the girls at Camp interMISSION for their morning worship session. Workshop limit: 20.

Camp interMISSION's Called to Prayer ***(Afternoon Only)***
