

Who Am I? - A CBM Field Staff Guessing Game

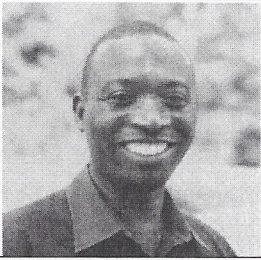

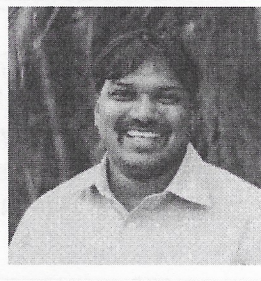

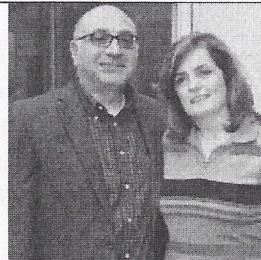

Goal: To identify, learn about, and pray for specific CBM Field Staff.

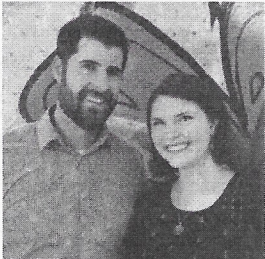

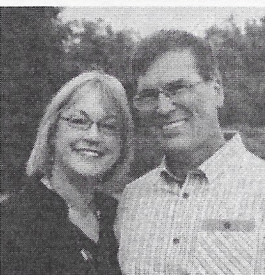

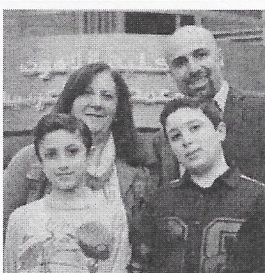

Preparation: Print the next two pages containing the photos and clues about 12 CBM Field Staff. Separate by cutting the pages into 12 strips (one strip for each Field Staff person).

How to play:

1. Pass out the 12 strips of paper to members of your group. Ask them not to show their strip of paper to others in the group.
2. Have the members take turns presenting their CBM Field Staff person, by asking "Who am I?", then reading the first clue and giving the rest of the members time to guess.
3. If no one guesses correctly after the first clue, then read the second clue.
4. If there are still no correct answers, read the third clue.
5. After all the clues have been read and time has been given to answer, reveal the correct name of the Field Staff person (if it hasn't been guessed) and show their photo to the group.
6. Take some time to pray for the Field Staff person.
7. Continue the same process until all 12 of the Field Staff have been presented.

(Note: There are more than 12 CBM Field Staff. If you would like to include more Field Staff, go to the CBM website (<https://www.cbmin.org/>) to find out the most current Field Staff and create your own clues for the game.)

<p>André Sibomana</p>		<p>Who am I? I am a male. I live in Africa. I am the team leader of CBM's Africa team.</p>
